Dear Ms. Thompson,

Thank you for your time this morning. As we discussed, please find the attached 2012-2013 Annual Report for the United Heckathorn Superfund Site, Upland Capping System, which was prepared by Weiss Associates on behalf of the Levin Richmond Terminal Corporation. Please be advised that Appendix C to the report is quite large, so please print with caution!

Please don't hesitate to contact me if you have any questions or comments.

Have a nice evening,
